

# Parent-Child Dedication at Mountain Lake Church

## Sunday May 9<sup>th</sup>, 2010

Parent-Child Dedication is a very special event at MLC and in the life of your family. The purpose is to allow parents the opportunity to publicly affirm and celebrate their desire to raise their children in Christ. This service is not an infant baptism. We believe that baptism should take place after your child has made a personal decision to accept Jesus Christ as his or her Savior.

We will celebrate together on May 9<sup>th</sup>, during both services.

If you would like to participate, please complete the following:

- Complete a form for each child being dedicated.
- Include a photograph of your child to be shown during the service. If you have more than one child being dedicated, you may submit a group photo or individual photos.
- You may turn these items into the church office or e-mail them to [hricard@mountainlakechurch.org](mailto:hricard@mountainlakechurch.org) no later than Wednesday, May 5<sup>th</sup>.
- **Please be sure to turn in your photo with the application.**
